**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business person who processes a lot data from and about my customers. I have found a great small internet provider who gives great service and allows me the bandwidth I need at an affordable price. The big providers throttle my ability to process and charge a lot more. We need these competitive providers to make our businesses effective. Please help keep these businesses going.
